

Family-Friendly Holidays in Franschhoek

The Leeu Collection welcomes families with children to its three child-friendly properties – Leeu Estates, Leeu House and Le Quartier Français – in the scenic Franschhoek valley. The sensational settings, five-star facilities and attentive staff will make your holiday in South Africa's world-renowned Cape winelands unforgettable.

Attention to detail is key in our various child-friendly offerings, such as the pristine swimming pools with exceptional views and comfy loungers for soaking up the ample sunshine. Quirky and playful artworks intersperse the beautifully landscaped gardens and well-maintained walkways provide plenty of room for a family stroll. For the more active, bicycles are available should you wish to make use of them. We also have cots, high chairs and nappy-changing facilities for families with small children.

Menus throughout the portfolio showcase fresh, healthy and locally sourced produce – much of it from our own herb and vegetable gardens. A special children's room-service menu features tasty classics such as macaroni and cheese, spaghetti and meatballs, and a burger or fish with chips.

For those who need more pampering, Leeu Spa, located at Leeu Estates, offers treatments for children aged six to 12 years of age, from relaxing massages and facials to manicures and pedicures. An added treat for the young ones is a special children's turn-down service that includes handmade treats from our pastry kitchen and a glass of milk to ensure sweet dreams at the end of an exciting day of experiencing the Leeu lifestyle.

Our concierge team is also always at hand to help plan the perfect family getaway and if parents need some grown-up time, we can arrange for professional babysitting services.
