CLIMATE

Franschhoek enjoys a mild Mediterranean climate characterised by warm summers (average temperatures range from 15°C to 30°C/60°F to 85°F) and cool winters with some rainfall (average temperatures range from 8°C to 19°C/48°F to 66°F). It is the perfect destination for 'swallows', as summer falls during the northern hemisphere's winter. WHAT TO PACK Layering is the way to go as weather can turn from warm in the day to cold at night in both summer and winter. Summer: A swimsuit is essential, along with a sun hat, sunscreen, sunglasses, and cool, light clothing. Light jackets or sweaters are recommended for the evenings. Winter: Daytime clothing can be lighter but evenings require woollens.

FRANSCHHOEK

The breathtakingly beautiful Franschhoek valley is renowned as one of the world's great food and wine destinations. Settled by the French Huguenots in 1688, it has retained its Gallic charm and character. At the heart of the valley is the romantic village of Franschhoek.

Within easy driving distance from Franschhoek, one can enjoy the pristine beaches of the Cape, play a round of golf or experience some of the best land-based whale watching in Hermanus.

Epice is another venture from the La Colombe team. Serving an array of delectably curated dishes, the fine-dining restaurant features a flavour-packed menu inspired by the team’s culinary expedition to India, as well as memories of travels through Spain, Japan, Mexico, Denmark and the US.
